NO SHOW POLICY

Welcome to Holston Medical Group. Please take time to review the following information pertaining to our policy for no show appointments.

We understand that scheduling conflicts occur from time to time. However, we request at least two hours advance notice if you are unable to keep your scheduled appointment(s). Two or more missed appointments may result in your family being dismissed from Holston Medical Group. Patients that fail to show up for a scheduled appointment **may be charged a fee** for not providing the office with prior notice of cancellation.

Holston Medical Group physicians have developed our No Show policy in an effort to better serve our patients by providing same day appointments to those who are sick and need to be seen. If someone schedules an appointment and does not show for the visit, we have lost an available time that could have been used for a sick patient.

We look forward to providing your health care needs. Your understanding and cooperation helps us to provide available appointments for patients who urgently need them.

Please sign below as confirmation that you have read, acknowledge and understand our policy regarding no show appointments.
